### Tax Deductible Year End Giving

Year End Giving allows you to witness the impact of your philanthropy, providing a sense of fulfillment and strengthening your connection to the causes you support. Additionally, you may be able to claim an immediate charitable deduction for your donation (if you itemize).

Your donations are more than just gifts, they are lifelines to people and families in need. Consider your year-end giving donation to Jill's Non-profit, Vibration 432. If you donate money to her organization, DiSalvo and Associates will match your donation up to \$5,000! Thank you for considering our organization and our mission to heal and improve the lives of first responders and teens suffering from Post Traumatic Stress and trauma. [CLICK HERE](#) to learn more!

The organization is working with Frequency 432 Healing & Wellness, LLC to build a community of holistic healers and metaphysical practitioners that are dedicated to improving the lives of these individuals. These like minded healers and practitioners come together to educate and support one another with the common goal of elevating consciousness and healing those that cross our path and are in need.
