

## Personal Power

***Power is not about exerting our will over others, it is about being in complete truth with yourself.***

Power is not about exerting our will over others, it is about being in complete truth with yourself.

Many of us have do not understand what personal power means. We have been given the false notion that power is bad -- that it is something we use to exert our will upon others. In fact, when our personal power is intact, we are neither overbearing nor meek. We have a clear sense of our strength and the impact we can have on others. This actually enables us to be more sensitive. Personal power is what permits us to work on behalf of our dreams and desires. It allows us to realize that we are worthy and deserve to be heard. In addition, our personal power lets us extend the respect we know that we deserve to the people around us. There is no reason to be afraid or ashamed of fully owning your power.

- Adapted from Daily Om

**"I am strong standing in my personal power today.  
I am worthy of being loved, respected and listened to.  
I am proud, confident and happy with myself.  
I deserve and accept the life I dream of.  
I choose to move forward in life."**

# Business Spotlight

This week, I am VERY excited to introduce one of my client's - Boozie Bluebell! Your stylish, customizable, portable, six-tap bar serving beer, wine, bubbles and more for your next event!

The most stylish guest at your next party. Boozie Bluebell fills a void in the event industry that was long felt by founder and executive planner at 59 & Bluebell Events, Katie Arbogast Stubbs. Katie saw a need for a portable bar that was both customizable and aesthetically pleasing, eco friendly, and upscale. So, she built it herself!

Reserve Boozie for your next happy hour, party, wedding or special event today! !

# Important Deadlines

## JULY 15TH

- 2nd Quarter Payroll tax deposit due

## SEPTEMBER 15TH

- Extension deadline for Partnership & S-Corporation Tax Returns

## OCTOBER 15TH

- Extension deadline for Corporate & Personal Tax Returns

## Tax Talk!

### **IRS Refunds:**

The IRS has announced that refunds are being delayed and to check IRS.gov/refunds for updates. The IRS has stated that it could take 10-12 weeks for refunds to be processed. You can check the status of your refund online at [irs.gov/refunds](http://irs.gov/refunds), The IRS has flagged over 5 million returns in 2021 so your return may either not show on the IRS site or show as processing for a few months.

### **Tax Refund Adjustments:**

If you receive a reduced refund it may be due to an adjustment due to Round 1 and/or 2 of your Economic Impact Payments reported on your tax return. You should check your bank account to confirm amount actually received for these payments.

## Mid Year Tax Planning

It's hard to believe that the year is half way over!! Now is the perfect time for a Mid-Year Tax Planning Session!!! It's a great time to review your YTD numbers, see where you stand from a tax standpoint and strategize on moves to make the rest of the year!

Click the link to my online calendar to schedule your mid-year tax appointment today!

# Get Your Cosmic Mojo On

WITH ASTROLOGER & NUMBEROLOGIST HATTIE PARKER, MS,ED

GET YOUR COSMIC CRYPTO MOJO ON  
FINANCIAL PLANNING AND INVESTING BY THE LIGHT YOUR MOON

HAS A FINANCIAL ADVISOR EVER ASKED YOU IN A CLIENT INTAKE QUESTIONNAIRE TO REVEAL YOUR ASTROLOGICAL MOON?

KNOW YOUR PERSONAL CRYPTOSCOPE (AKA YOUR ASTROLOGICAL MOON SIGN)

I SUSPECT YOUR ANSWER TO THE ABOVE IS "NO." AND, IF YOU WERE TO BE ASKED, "WHAT IS YOUR MOON SIGN?" THE PROBABILITY IS THAT YOU WOULD NOT KNOW. ONE'S SUN SIGN IS OFTEN WELL KNOWN. SUN SIGNS ARE EASY TO DETERMINE SIMPLY BY REFERENCING THE DATE OF YOUR BIRTH. THE MOON, ON THE OTHER HAND, BEING THE FASTEST MOVING HEAVENLY BODY OF THE ZODIAC (IT CHANGES SIGNS EVERY 2.5 DAYS) IS MORE CHALLENGING TO DETERMINE.

IN ORDER TO ACCURATELY KNOW THE SIGN OF YOUR MOON YOUR TIME OF BIRTH IS RELEVANT. OFTEN THIS IS NOT SOMETHING ONE READILY KNOWS. TYPICALLY, HOWEVER NOT ALWAYS, THE TIME OF BIRTH IS FOUND ON A BIRTH CERTIFICATE. ASCERTAINING MOON SIGNS IS MORE COMPLICATED THAN SUN SIGNS, AND IN THIS WORLD WHERE SIMPLICITY IS PREFERRED, MOON SIGN IDENTIFICATION IS NOT A MASS MEDIA SUBJECT OF INTEREST. I WILL BRIEFLY EXPLAIN WHY FOR YOUR FINANCIAL WELL BEING THAT, DESPITE IT BEING COMPLICATED, IT IS WORTH COMMITTING EFFORT INTO LEARNING ABOUT YOUR MOON SIGN.

TO THINE OWN SELF BE TRUE: THE CASE FOR KNOWING YOUR MOON SIGN

QUESTIONS YOU HAVE MOST LIKELY ANSWERED FOR A FINANCIAL ADVISOR RELATE TO YOUR RISK TOLERANCE.

THERE IS MUCH SPECULATION ABOUT WHAT MAKES PEOPLE TICK WHEN IT COMES TO INVESTING. I HAVE HEARD STATISTICS THAT FOR THE MAJORITY OF PEOPLE IT IS ABOUT 20 PERCENT LOGICAL REASONING AND 80 PERCENT EMOTION. ANECDOTAL INVESTMENT REPORTING REVEALS THAT PEOPLE TEND TO INVEST IN BUSINESSES THAT PROMOTE PRODUCTS AND/OR CONCEPTS THEY LIKE. ADDITIONALLY IT IS OBSERVED THAT PEOPLE INVEST BECAUSE THEY FEEL GOOD ABOUT THEIR INVESTMENT ADVISOR AND THUS WILLINGLY FOLLOW THE ADVICE GIVEN BASED UPON GOOD EMOTIONAL FEELINGS. IT IS ALSO WELL KNOWN THAT PEOPLE SELL INVESTMENTS WHEN FEAR (EMOTION) OF LOSS KICKS IN.

AS A PROFESSIONAL ASTROLOGER I AM WELL AWARE YOU HAVE BEEN LED TO BELIEVE YOUR SUN SIGN IS ALL YOU WANT OR NEED TO KNOW ABOUT YOURSELF. UNFORTUNATELY IT ACTUALLY FALLS VERY SHORT WHEN IT COMES TO KNOWING ABOUT YOUR EMOTIONAL NATURE. THE MOON RULES EMOTIONS. YOUR ASTROLOGICAL MOON SIGN IS THE KEY TO UNDERSTANDING YOUR EMOTIONS AND IN MY ASSESSMENT IT ALSO RELATES TO DEFINING YOUR INNATE RISK TOLERANCE AND INTOLERANCE.

## THE BRAVE NEW WORLD OF CRYPTO INVESTING, YOU, AND YOUR MOON SIGN

Cryptocurrency investing is new. It represents a fundamental financial paradigm shift. And just as we are not going to return to horse and buggy days now that cars are king, we will not see it go away. One strong reason it will stick is that it is highly advantageous for many in the world. It changes the rules of the financial world through making it possible for people who have previously been unbanked to transfer funds without being at the mercy of money changers who have traditionally taken exorbitant transaction fees.

You may be skeptic, a fan or a wait and see person. I personally am a fan. I have a Gemini moon sign meaning I am someone with significant curiosity about many things in life. I am infinitely grateful astrology inspired me to be a relatively early adopter; because even now when this volatile asset is currently down I am still ahead. I believe that it is not too late to get in the game and that now (when it is down) is a prime time to take action. As crypto is here to stay, you will want to have an ongoing way to approach dealing with your emotions and crypto investing.

Early in August Jill and I will host an introductory membership event where we will unveil the benefits of the membership group that we are joining forces to create. At the event you will have the opportunity to learn about crypto and your moon sign and what it reveals about your investing risk tolerance.

In the meantime I highly recommend if you are already convinced, that you proceed with investing, or if you are on the fence that you commit to being informed by beginning to educate yourself about what is Bitcoin (the kingpin of cryptos) and how to acquire it. You can Google these topics or watch the following.
