YEAR END TAX PLANNING ELECTRIC VEHICLE (EV) AND FUEL CELL VEHICLES (FCV)

WITH THE END OF THE YEAR APPROACHING, IT IS A GOOD TIME TO REVIEW YOUR 2023 INCOME TAX SITUATION AND TAKE STEPS TO ENSURE THAT YOU ARE TAKING FULL ADVANTAGE OF THE MANY TAX PLANNING STRATEGIES AVAILABLE.

OVER THE LAST 6 WEEKS OF THE YEAR, WE WILL BE COMMUNICATING 2023 UPDATES, IRS CHANGES AND TAX SAVING STRATEGIES FOR BOTH INDIVIDUALS AND BUSINESS OWNERS TO CONSIDER.

MAKING IMPORTANT DECISIONS BEFORE DECEMBER 31ST CAN MAKE A SIGNIFICANT DIFFERENCE.

IF YOU ARE IN THE MARKET FOR A NEW EV OR FCV OR HAVE ALREADY PURCHASED A ONE, HERE ARE SOME THINGS TO BE AWARE OF:

IF YOU PLACE IN SERVICE A NEW PLUG-IN ELECTRIC VEHICLE (EV) OR FUEL CELL VEHICLE (FCV) IN 2023 OR AFTER, YOU MAY QUALIFY FOR A CLEAN VEHICLE TAX CREDIT.

AT THE TIME OF SALE, A SELLER MUST GIVE YOU INFORMATION ABOUT YOUR VEHICLE'S QUALIFICATIONS. SELLERS MUST ALSO REGISTER ONLINE AND REPORT THE SAME INFORMATION TO THE IRS. IF THEY DON'T, YOUR VEHICLE WON'T BE ELIGIBLE FOR THE CREDIT.

YOU MAY QUALIFY FOR A CREDIT UP TO \$7,500 UNDER INTERNAL REVENUE CODE SECTION 30D IF YOU BUY A NEW, QUALIFIED PLUG-IN EV OR FUEL CELL ELECTRIC VEHICLE (FCV). THE INFLATION REDUCTION ACT OF 2022 CHANGED THE RULES FOR THIS CREDIT FOR VEHICLES PURCHASED FROM 2023 TO 2032.

THE CREDIT IS AVAILABLE TO INDIVIDUALS AND THEIR BUSINESSES.

TO QUALIFY, YOU MUST:

- BUY IT FOR YOUR OWN USE, NOT FOR RESALE
- USE IT PRIMARILY IN THE U.S.
- IN ADDITION, YOUR MODIFIED ADJUSTED GROSS INCOME (AGI) MAY NOT EXCEED:
 - \$300,000 FOR MARRIED COUPLES FILING JOINTLY
 - \$225,000 FOR HEADS OF HOUSEHOLDS
 - \$150,000 FOR ALL OTHER FILERS

YOU CAN USE YOUR MODIFIED AGI FROM THE YEAR YOU TAKE DELIVERY OF THE VEHICLE OR THE YEAR BEFORE, WHICHEVER IS LESS. IF YOUR MODIFIED AGI IS BELOW THE THRESHOLD IN 1 OF THE TWO YEARS, YOU CAN CLAIM THE CREDIT.

TO LEARN MORE ABOUT THE VEHICLES THAT QUALIFY FOR EV'S AND FCV'S PURCHASED BEFORE OR AFTER APRIL 18, 2023, [CLICK HERE](#)

WE HOPE YOU FIND THESE IMPORTANT TAX SAVING RECOMMENDATIONS HELPFUL BEFORE THE END OF THE YEAR! THANK YOU FOR YOUR CONTINUED TRUST AND CONFIDENCE IN OUR FIRM AND WE HOPE THAT EACH OF YOU ARE SAFE AND HEALTHY.

FINDING PEACE DESPITE AN ABUNDANCE OF INTENSE WARLIKE VIBES: WARRIOR LIKE ENERGY STARTS THIS MONTH AND, SADLY, WILL LAST FOR THE NEXT 2.5 YEARS

The Warrior Energy: Commencing with the New Moon in Scorpio 11/13/2023

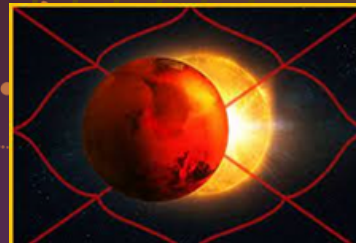

On Monday 11/13 the Sun and Moon in Scorpio joined forces with Mars (conflict) in opposition to Uranus, the planet of surprises. This was a "Anything could happen!" energy. Understanding how it may affect you might make more sense when considering the following analogy. If you were to be aware of being in the same room as a scorpion you very likely would proceed to move around the room with caution. The two weeks following 11/13 represent a time the whole universe could be described as being trapped in a room with a scorpion.

We as individuals cannot gain control over universal trends. We can control our response to universal trends. The New Moon has set the tone for two weeks. We have another week in advance of the Full Moon when the energy shifts out of fiery Scorpio and into more contemplative Gemini. However, this shift unfortunately, as explained below, will not be the end of Scorpionic warlike energy.

However, FYI, The GOOD NEWS is that I share in this article about a program we are offering to support readers in being uplifted during these times of turmoil.

Scorpio Energy Reigns for 2.5 Years: A Time to be Wary of Snap Reactions

On November 18, 2023 Mars is an exact conjunction (connection) with the Sun. This conjunction it sets the tone for the energy that will be most universally important for the next two and a half years. When this conjunction was activated in Virgo, the sign of healing, we experienced the pandemic. Everyone everywhere was focused on issues related to health and healing. After the Virgo conjunction came a conjunction of Mars and the Sun in Libra, the sign of peace, war and negotiations.

Conjunction
of
SUN
&
MARS

The wars in Ukraine and now Israel are commanding worldwide attention. The shift of the Sun/Mars conjunction to Scorpio is concerning. During the peace-loving Libra influence there has seemed to have been a true concern about the negotiation of terms and conditions. Scorpio energy on the other hand, consistent with the nature of its namesake, has a hair trigger. Scorpions tend to strike and, however, not be particularly concerned about consequences.

Thus, for the well-being of the planet it seems to be a highly worthy cause that a collective effort be made to wish for and focus on Peace on Earth. In the month of December Peace on Earth is highlighted. Starting on 12/12/2023 Vibration 432, Inc will, under the leadership of Nanette Saylor, Creativity Coach and me sponsor a 12 day program expressly designed to support participants in manifesting wishes, hopes, and dreams for themselves and the world. We would be delighted for you to join us.

If you have questions about whether participating is right for you I would be happy to explain the program in detail. Please feel free to contact me at Hattie@hattieparker.com.

Have you ever written a Love Letter to yourself?

In September, one of my favorite people, and author, Elizabeth Gilbert, opened a program to encourage people to write Love Letters to themselves, called Letters from Love. She's been practicing writing Letters from Love for years. And though I haven't read most of them, because I didn't subscribe to her program (I have lots of other priorities right now) I was reminded of the practice. A number of my peers are subscribed to her Substack program.

Most importantly, I was inspired to write a Love Letter to me, this week, even though I'm not in the "program", so to speak.

"Dear One, may I sit with you quietly?", I began, recording the first words that came to mind. Continuing to capture the voice of my loving self, I continued...

"I want to gaze upon you... to soak in your beauty and grace."

The rest I may share with you another day...

For now, know that I hope you'll find a quiet moment to engage in this dialogue with your loving self. Open your journal with pen in hand and begin... "Dear One, I love you because..."

And that dream... you've probably heard this before... is a dream you wouldn't have if you weren't already guided and destined to fulfill it, if you acknowledge it and become open to receive it. Allow it to unfold within you.

"How do I do this?, you may ask..."

And to that question, we respond with, "You don't do anything, you practice BEing."

You practice BEing by observing yourself. You practice BEing by giving attention to your energy. You practice BEing by raising your vibration. Vibration 432 hz is said to be mathematically consistent with the patterns of the universe. The creative power of the natural order is recognized in Vibration 432. Tuning to Vibration 432 you can create your life in any way you'd like it to be.

NANETTE SAYLOR

You see, I've come to know that the vessel we call "self" can only be prepared for a journey in this lifetime filled with wonder, joy, magic and miracles when we begin from knowing love first, no matter what.

Love for self, first, then others... then the world. What I know for sure is that the self you love has a vision for you. That vision is a dream you know.

What I know for sure is that the self you love has a vision for you. That vision is a dream you know. It's a dream that is exciting and scary all at the same time. It's a dream that may feel too big or too hard or too impossible. It's a dream that is taking form as you think it, even if you can't fully see it yet. It's taking form with all of your thoughts, the happy and the sad, so mind your thoughts!

*"Be Love. Share Hope. Create Dreams.
Be. All. That. You. Are."*

Transformation is possible. Change is possible. A life bigger and better than you've ever known is possible when you change your vibration and tune in to a higher vibe. Pushing more and doing more will not get you there. This I know for sure. Relaxing into being the beautiful being you already are will open the doors to who and where you want to BE.

To that end, I've joined forces with Hattie Parker to co-facilitate a virtual introduction of "Love Portal #12 : 12 Master Keys to Manifesting Your Wishes, Hopes and Dreams". Beginning on 12/12/23 we offer a 12 day Master Your Mind experience. Elevate your vibration in alignment with love for yourself and your world. Let's create 12 Days of Consciously Manifesting Your Wishes, Hopes and Dreams for 2024 and beyond!
